From 032030 July 1986 to 062300 July 1986 has been nicknamed Liberty Weekend, the "100th Birthday Party" for the Statue of Liberty. Such events are thought to provide lucrative opportunities for hostile terrorist activities. If such activities do occur or can be thwarted, they would most likely be reported in the news media. As time passes, accurate/detailed reports concerning such events will be published for all to know.

Describe the Liberty Weekend events reported in the future which are necessary to know now to thwart any hostile terrorist activities.
